SECTION H – SPECIAL CONTRACT REQUIREMENTS

Federal Aviation Administration, Mike Monroney Aeronautical Center
Mgr., Investigations and Internal Security Branch, AMC-700
6500 South MacArthur Boulevard
Oklahoma City, OK 73125

(3) The Contractor may request from MMAC Security Office a list of all employees that have been processed and are listed as working under this contract. The Contractor shall ensure that all employees working under this contract, that do not appear on the list provided by the MMAC Security Office, submit the appropriate security information promptly within thirty (30) days of receipt of the aforementioned list.

The transmittal letter shall also include a list of the names of employees and their positions for which completed forms were submitted to the SSE pursuant to this Clause. A copy of the transmittal letter shall also be provided to the Contracting Officer.

(e) The contractor shall submit the information required by Section (d) of this Clause for any new employee not listed in the Contractor's initial thirty (30) day submission who is hired into any position identified in Section (c) of this Clause.

(f) No contractor employee shall work in a high, moderate, or low risk position unless the SSE has received all forms necessary to conduct any required investigation and has granted its approval of the forms. However, if this provision is added by modification to an existing contract, contractor employees performing in the positions listed above may continue work on the contract pending:

(1) the submittal of all necessary forms within 30 days, but not to exceed a maximum of 30 days, and

(2) completion of a suitability investigation by the SSE, subject to the following conditions:
NONE

If the necessary forms are not submitted by the Contractor to the SSE within 30 days of the effective date of the modification, the Contractor employee shall be denied access to FAA facilities, sensitive information and/or resources until such time as the forms are submitted.

(g) As applicable, the Contractor shall submit monthly reports providing the following information to the Contracting Officer with a copy to the SSE and the Operating Office on or before the twentieth day following each report period: A complete listing by full name in alphabetical order with the social security number, of all contractor personnel who had access to an FAA facility, sensitive information and/or resources anytime during the report period (date of birth and social security number shall be omitted from CO and Operating Office copies of report(s)).

(h) The Contractor shall notify the CO within one (1) day after any employee identified pursuant to Section (C) of this Clause is terminated from performance on the contract.

PART I – THE SCHEDULE
SECTION H – SPECIAL CONTRACT REQUIREMENTS

Evidence of an equivalent previous investigation under these guidelines will be sufficient, at the Government's discretion, to allow contract employee admittance to an FAA facility. However, in the situations described in (b)(2) and (b)(3), a renewal of the security clearance must be obtained in a timely manner to facilitate continued admittance. The Director, Defense Industrial Security Clearance Office, Defense Investigative Service, Columbus, Ohio 43216, is responsible for processing and granting all industrial personnel security clearances required by this contract.

~~**Anchorage ARTCC Special Clearance Requirements**—Contractor personnel shall obtain and possess a Secret level clearance for the performance of work at the Anchorage Air Route Traffic Control Center. Attachment 6 (DOD Contract Security Classification Specification—DD form 254) of the Statement of Work discusses security requirements at this site.~~

DELETE

Law Infractions - Upon learning that a contract employee performing work under this contract has been arrested or detained by a law enforcement authority for any offense other than a minor traffic offense ("minor" means that the maximum fine that could be imposed is \$200.00 or less), the Contractor shall immediately advise the Contracting Officer.

Employee Termination - The Contractor shall notify the Contracting Officer immediately whenever an employee performing work under this contract terminates employment. The Contractor will be responsible for returning all FAA-issued contractor/employee identification and all other FAA property.

Privacy Act of 1974 - The provisions of the Privacy Act apply to: (1) contracts awarded prior to September 27, 1975, which provide for design, development, and/or operation of a system of records on individuals for an agency function, and (2) contracts initiated on or after September 27, 1975, which may involve such system of records even when the system is not specifically identified in the particular contractual statement of work. Any contractor or employee thereof shall be considered an FAA employee for purposes of the criminal penalties provisions of the Act, if such contract is agreed to on or after September 27, 1975. FAR clauses 52-224-1 and 52-224-2 also apply herein. These provisions apply to any contractor serving as the collector, analyzer, or processor of data under grants or contracts to support FAA programs.

H.28 PERSONAL SERVICES

No personal services shall be performed under this contract. No Contractor employees will be directly supervised by the Government. Contractor employee's assignments and daily work direction shall be given by the applicable Contractor Supervisor.
